

MAJOR COMPANIES AND HEADQUARTERS

Dallas-Fort Worth has been a magnet for corporate headquarters and major company operations, attracting 20 Fortune 500 company headquarters and 39 headquarters among the Fortune 1000. A diverse group of household names such as ExxonMobil, Texas Instruments, AT&T, American Airlines, J.C. Penney, Kimberly-Clark and Fluor call the region home, reflecting the area's strong fundamentals when it comes to workforce, access, and cost of doing business.

DFW's corporate powerhouse companies are distributed throughout the region, an indication of its strength, quality of the workforce, and ease of navigation between cities and corporate centers. Scanning the roster of major employers located here, it's easy to see the breadth and depth of the business community, from high-tech industry leaders, telecommunications, logistics and finance, to consumer brands that ease the daily lives of families across the globe. Dallas-Fort Worth's diverse base of employers drives the region's economic strength, pulling from a variety of industries so that growth is possible even during weak business cycles.
